

Communicative Business English

ENGLISH UNLIMITED

Kickstart your career as a global professional. Build business acumen and intercultural competence.

COURSE SNAPSHOT

Communicative Business English is perfect for all students interested in improving their skills outside the classroom. This course will prepare you to enter the workforce with the communicative skills you need. You will have the opportunity to develop your English skills right from the Elementary to the Upper Intermediate level while navigating real-world business scenarios. These include role-plays, vocabulary building, formal and informal communicative skills, networking strategies, presentations and business correspondence, making you a confident and competent global professional.
